

A man and a woman are standing in a lush jungle under a large waterfall. The man is standing on the left, wearing a black life vest and red patterned shorts, with his arms outstretched. The woman is sitting on a rock to his right, also wearing a black life vest and red shorts. The waterfall is cascading over a rocky cliff face. The background is filled with dense tropical vegetation, including palm trees and other green plants. The water at the bottom of the waterfall is splashing.
